59.	08.05.2019	<p><b><u>Checking Exercise in view of General Election-2019</u></b></p> <p>Keeping in view the significance and sensitivity of election time, local police along with law and order agencies are taking up various exercises of area dominance, surprise checks etc. These exercises are deterrent in nature, create fear in minds of miscreants and inculcate confidence in public in general. One such exercise was taken up on 07.05.2019 where search operation has been conducted in Village-Burail, Chandigarh. More than 40 police officials including a section of CAPF verified 41 persons and issued challans 13 Vehicles and 01 vehicle was impounded. More than 17 Houses having CCTV, footages were scrutinized from there to check any previous suspected activity. Such exercises maintain the element of secrecy and are taken up almost on daily basis at different places. This strategy has given visible results in keeping a check on street crimes.</p>
60.	09.05.2019	<p><b><u>Snatching case solved</u></b></p> <p>On 7.5.2019, at around 11 PM information received in Police Station-34 Chandigarh regarding snatching incidence in village Burail Chandigarh. On this information, police officials rushed to the spot. Patrolling party specially deployed to check unscrupulous activities at night, was also called to increase the possibility of nabbing the criminal at night. The incident happened in the narrow lanes of Burail where even a two wheeler drive is tough. Ms. Kasuri Khatun, local resident of same area in Village Burail Chandigarh informed that she was on her way to home from Market, as she reached near Killa Village Burail Chandigarh, one unknown person snatched away her cell phone. On this information, patrolling party of 10 police staff along with 4 police officers from PS34, planned the strategy for thoroughly searching the route where the criminal could have made a run as only locals were suspected. Such CCTVs were recognized and marked to be checked the next day as the time crossed mid night. The next day a team headed by Insp. Baldev Kumar, SHO-34, SI Juldan Singh, I/C PP-45 and officials of Police Post Burail Chandigarh was constituted working under the supervision of ASP/South, the team members collected local intelligence and scrutinized CCTV footage of more than 45 cameras installed in near by houses and shops that were marked on incident night. Massive search operation was launched using substantial force from South subdivision and all the near by 170 tenants were checked. More than 37 suspects were apprehended and verified thoroughly. Footages and pics were shown to all those mentioned above and fruitful result came out as few recognized the attire of the suspect.</p>

Further During this search 4 Nakas installed at various entry point of Burail Chd and 11 Traffic Challan and 6 vehicles have been impounded of the traffic violators. The exercise is being done to give a signal to problem creators/outsider that any sudden check can happen and they are under the constant scanner of Chandigarh police</p>
71.	04.04.2020	Once the lockdown was announced in Chandigarh and anticipating the coming times, it was felt by Neha Yadav, ASP south, that there is need to have a fair figure of number of people in unorganized colonies, villages, tin colonies etc. It was decided that an exhaustive survey needs to be done. She motivated all the SHOs of south sub division to

		<p>undertake it. The first survey was designed by SHO 31, Inspector Rajdeep, in one aloof village of police station i.e Faidan, whose condition is beyond the expectations of those residing in Sectors.</p> <p>The village set up is an age old type where one landlord has numerous numbers of tenants, primary occupation is farming, milkman, daily wagers, auto rickshaw drivers etc. There are no proper concrete roads. There are few shops, Atta chakki, chemist shops inside the village.</p> <p>The survey was started by police beat staff, new recruits of Chandigarh police. Direct execution was done under supervision of SI Sarita and her team. The door to door survey started at 11 am and got finished by 4 pm. The survey had particulars including the occupation, whether the house hold has LPG cylinder or not and number of family members. The whole village was divided into 6 zones and six registers were made. A digital, master list was made combining all the data. The very next day, the probability of village being infected came to us, but being confident of handling any situation, we went forward to sealing the village.</p> <p>The survey then came as a help. There were total 3500+ families and 19000+ villagers in total as per the survey. Accordingly, ration was arranged, jointly by police, administration and other NGOs/social workers. Once it was decided that ration will be given for free to all families, 3600 tokens were made and handed over to panna Pradhans. one Panna Pradhan was given charge of multiple families (30-40) to distribute the tokens and note their particulars in the sheets given, with a signature column at the end.</p> <p>They took one day to do the job, and the next day i.e. today, the distribution started. The Panna Pradhans was called with their list and with his people along with the tokens and their Aadhar cards. Token was submitted, Aadhar number was noted, sheet entries were cross checked with the master list and then the ration was handed over.</p> <p>This was done so that any duplication can be avoided, records will be a proof that the village can sustain on its own for coming days. Other facilities are normal like before like water supply, gas supply, ATM, etc. health dept team visits and any information is given by PA systems maintained at two openings. Villagers are thus leading a normal life without any fear of running out of the resources.</p> <p>Now interactive activities will be taken up in the village by the police to keep their morale up.</p>
72.	10.04.2020	<p>Case FIR No. 61 dt 9.4.2020 U/s 457,380 IPC PS 34 was registered and CCTV footage of the locality was scrutinized and intelligence was collected from local sources.
