Respected and Honourable Sir,

On behalf of Chandigarh Runners, I would like to bow down in respect and appreciation for the brilliant service that was provided to the citizens of Chandigarh by UT Police for the 'Night Run for Road Safety & Respect for Pedestrians & Cyclists', held on the night of 20th June. We are grateful for such immaculate arrangements by your team to make the participants feel safe and enjoy the event. From security to managing traffic, every bit of help offered by UT Police was stunning! We, the citizens of Chandigarh, feel extremely proud of Chandigarh Police. We are as much with you as you are with us.

I would also like to specially thank Honourable SP(City) Shri Parvinder Singh for not only his cooperation, but also his participation in the run. We are forever indebted for his enthusiasm in the cause of our run.

We are extremely proud of Chandigarh Police. We wish you all the very best in your continued efforts to make the citizens safe.

With Enormous Regards,
For Chandigarh Runners
