Dear sir,

I want to thank you for the very prompt action. Additional S.H.O and the beat head constable visited us and noted down all the details of my parents and assured them all the help and periodic calls n drop ins to check on their well being and safety.

Once again, I thank you for that.

Regards

Brijinder

Dear sir,

Thanks for the prompt reply but it has been nearly a fortnight and have not heard again.

I am leaving India on 2nd June and so anxious that my request is taken up about the registration of my parents before I leave.

Hope to hear from you.

Kind regards

Brijinder

Dear sirs,

I live in New Zealand and my very elderly parents live in Chandigarh all alone. I understand that like with Delhi police, here too is a senior citizen cell to look after the welfare and safety of them. I will be grateful if a periodic check by phone and personal visit can be made to check on their safety and well being.

Their details are as follows:

Father : S.Kanwar Sat Pal Singh Walia

Age : 87

Mother : Mrs. Balwant kaur

Age : 82

Address: house no.1232, sector :44-B, Chandigarh

Kindly acknowledge.
