No.12 of 2014 in the Hon'ble Punjab & Haryana High Court against Baba Rampal and others on various dates of hearing during the months of September, October and November 2014, Chandigarh Police made elaborate law and order arrangements in the city and ensured that no supporters or any unauthorised person of Baba Rampal reaches near Punjab & Haryana High Court. The march of such a large number of people would have posed not only a serious security threat but the normal life of the citizens of Chandigarh would have been adversely affected. Chandigarh Police acted professionally and ensured
