Subject: Request for circulation of Information about the M.A., M. Phil. and Ph. D Courses in Police Administration.

Sir,

I want to bring it to your kind notice that the Panjab University has introduced course on M.A. in Police Administration and is running it successfully from the Academic Session 2007-08. The students are being taught Papers on Police Administration; Correctional Administration; Criminology; Forensic Science; Police Psychology; Laws related with Police Administration; International Law; Research Methodology; Police Procedures and Investigation Techniques; and Organizational Behaviour among others. We are also offering M. Phil. and Ph. D. programmes.

There are 46 seats in the M.A. programme out of which 10 seats have been reserved for the serving police personnel. Similarly, seats are also reserved for in-service police personnel in M. Phil. programme.

The course offered by the Centre have been receiving good response from the students and gaining strength with each passing year. The in-service personnel have also shown keen interest in the courses and some of them are already pursuing their M.A. and M. Phil. Courses. However, it is felt that there is a need to widely circulate the information about the Centre for Police Administration to various Police agencies.

It is therefore requested that information about the Centre for Police Administration be circulated to all the Police agencies and other relevant organizations so that more and more interested in-service Police personnel may get benefit from the courses being offered by the Panjab University.

Thanking you.

Yours sincerely
