

**PRESS NOTE**  
**04/10/2013**

The two days Enablement Session on Basics of IT and Soft Skills was conducted on 3<sup>rd</sup> and 4<sup>th</sup> October 2013 at Infosys Building, IT Park, Chandigarh. Total 183 police personnel's including new recruited constables and Police Officials under promotion courses from R.T.C. attended this session. The main objective of this session is to provide the knowledge & importance of IT & Soft Skills to police personnel so that they could further use in their field.

Sh. R.P. Upadhyaya, IPS, Inspector General of Police was the Chief Guest on this occasion. He delivered lecture to the participants. He further added that police should have full knowledge of IT & Soft Skills so that they could easily do their work in different environments.

Now, Public is much more aware about their rights and working/duty of police. There are different situations which are faced by the police officials on the spot and even a single mistake causes the harmful result. The team building is very important part in the working of police and it plays an important role to work in different atmosphere in the Police department to meet the challenges in exigency and otherwise.
