HEALTH CHECK UP CAMP IN POLICE HOSPITAL

Today, 23.10.2013, a Health Check up camp was organized at Police Hospital in collaboration with Max Hospital, Mohali wherein nearly 180 Police Personnel and their families were medically examined. Sh. R. P. Upadhyay, IPS, IGP, Chandigarh thanked the team from Max Hospital emphasized on regular check-up of High Risk Police Personnel identified in Police Hospital during routine Annual Medical check-up. Sh. Naunihal Singh, IPS, SSP, Chandigarh, Sh. R.S. Ghumman, IPS, SSP Operation & Training, Sh. Maneesh Chaudhry, IPS, SSP Traffic & Sec. and other Police Officials were also present on this occasion. In this campaign, special focus was laid on

Cardiovascular & Bone Ailment related diseases. The medical examination was conducted by Dr. Sudhir Saxena (DM Cardiologist) and Dr. Vivek Kochar (MS Orthopedic) and the team of Max Hospital Mohali. The facility to check Bone Mineral Density (BMD), Random Blood Sugar (RBS), ECG & Blood Pressure were made available for specific patients. Dr. Sujata Sharma, SMO I/C Police Hospital conveyed that these camps have been regularly organized in Police Hospital which has vastly benefited the Health profile of Police Personnel and their families.
