

Press Release

In continuation of celebration of 28th National Road Safety Week, on the 7th day i.e 15th January, 2017 Chandigarh Traffic Police in collaboration of Fortis Hospital organised an awareness camp for police personals at Traffic auditorium, Traffic & Security Lines, Sector-29 to motivate the participants for organ donation. At the camp Dr. Priyadarshi Ranjan, M.S (Surgery) Fortis Hospital addresses the participants and gets them aware about the importance of organ donation. He promotes the Nobel cause and encourages the participants to pledge for organ donation. Further, Chandigarh Traffic police personals distribute pamphlets in the city for awareness towards traffic rules. Sh. Yashpal CPS, DSP Traffic Admn. alongwith Traffic Inspectors were also present during the event.
