CHANDIGARH, AUGUST 1

Two snatchers have been arrested by the Chandigarh Police. Their arrest led to the recovery of 11 mobile phones. The police claimed two cases registered at the Sector 36 police station had been solved with their arrest.

A team of the Sector 36 police station, led by Inspector Ranjodh Singh, nabbed the two accused, Deepak, a resident of Sahi Majra village in Mohali, and Sandeep Kumar, a resident of Sector 52.

The police said two snatching incidents that were reported from the area under the Sector 36 police station on July 25, in which mobile phones were snatched, had been solved with the arrest of the duo. The two mobile phones that were snatched had also been recovered.

The police said the Bajaj Discover motorcycle, which was used in the snatching incidents, had been recovered by the police.

"Besides these two mobile phones, we have also recovered nine other expensive mobile phones, which were snatched from various parts

Used to sell phones to labourers

The accused used to target pedestrians carrying expensive mobile phones. The duo used to stop them on the pretext of asking for a way and then snatch their mobile phones. Sources said the accused then used to sell the mobile phones to labourers in the Industrial Area, Phase VII, Mohali. The accused used to tell the buyers not to switch on the phones for at least two months so that they don't get traced.
