

PRESS NOTE
28.02.2019

Chandigarh Police is working with children who are vulnerable to substance abuse. Many new initiatives have been launched by Chandigarh Police to create awareness among children about health & hygiene with particular focus on prevention of substance abuse. Chandigarh Police in partnership with SPYM has also initiated "Child Friendly & Drug free Community" for Children Vulnerable to drug abuse. Chandigarh Police is also providing free training of vocational courses to victims of crime, students from poor family, youth vulnerable to drugs addiction etc, so that they can be integrated into mainstream society.

In order to promote this positive and healthy lifestyle, Chandigarh Police arranged an interaction session of these Children with celebrities participating in celebrity cricket Match. Today, Bollywood Celebrity Mr. Salman Khan interacted with the Children at Cricket Stadium, Sector-16, Chandigarh.
