

Press Release
12/8/2014

Today, Sh. K.K. Sharma, IAS, Advisor to the Administrator, UT, Chandigarh flagged-off 50 Nos. of Motorcycle & two Recovery Vans at Sukhna Lake, Sector-1, Chandigarh. Sh. R.P. Upadhyaya, IPS, Inspector General of Police, UT, Chandigarh, Sh. Sukhchain Singh Gill, IPS, Senior Superintendent of Police, UT, Sh. Maneesh Chaudhry, IPS, Senior Superintendent of Police, Traffic & Security and other police officials were present on this function.

To strengthen and modernization of Chandigarh Police, 50 Apache M/Cycles and 9 Bullet M/Cycles have been added to the fleet of vehicles against condemnation of 92 vehicles. Efforts are being made to procure the remaining vehicles as and when more funds are released by the Government of India. These vehicles have been purchased due to better mileage and high pick-up as compared to greater fuel consumption of Royal Enfield bullet motorcycles.

Most of these vehicles will be made available to the Police Stations, Police Posts, PCR and Chandigarh Traffic Police & Security Wing to augment their efficiency. These will enable the PCR to respond better to distress calls by reducing the time taken to reach the spot and by better maneuvering the congested streets in various colonies and villages. Beside

this, two new Recovery Vans have also been inducted into the Chandigarh Traffic Police.
