HEALTH CHECK UP CAMP IN POLICE HOSPITAL

A health check up camp was organized at Police Hospital, Sector 26, Chandigarh on 23rd May 2014 in collaboration with Max Hospital, Mohali, wherein about 400 Police Personnel and their families were medically examined. Police personnel who were identified as High Risk group of patients during Annual Medical Examination routinely conducted in Police Hospital were examined. Inaugurating the Health Camp, worthy IGP/UT, Chandigarh, Sh. R.P. Upadhyay IPS, thanked the team of doctors & Para-medics staff from Max Hospital and emphasized on regular check-up and counseling during their follow up examination on regular check-up and counseling during their follow up examination and also stressed upon the importance of maintaining healthy life style.

Special focus was laid on obesity, diabetes & dietary habits. During the camp, health talk was delivered by Dr. Emmy Grewal, Endocrinologist and Dr. V.S. Sachdeva by Max Hospital. The facility to check random blood sugar, ECG and Nerve conduction test was made available for specific patients. Dr. Sujata Sharma, SMO I/C Police Hospital conveyed that these camps have been regularly organized in Police Hospital which have vastly benefited the Health profile of Police Personnel and their families. All Medical

Officers also participated. Intervention of this camp shall improve the Health Profile of the Police personnel.
