**CIRCULAR**

This is in continuation of earlier circulars whereby all Police personnel/employees of Chandigarh Police were directed not to make any kind of unauthorized encroachment in occupied govt. police pool houses.

It is noticed that despite of instructions, number of police personnel/employees who have been occupied/allotted govt. police pool houses are making unauthorized encroachment in their occupied/allotted houses. In some cases, it is also noticed that police personnel/employees are not hesitating to remove its basic structure, which is neither acceptable nor desirable. This practice is clear cut violation of the terms and condition of Chandigarh Police House Allotment Rules.

As such, all the allottees of Police Pool Houses are once again hereby directed to remove unauthorized encroachment on priority basis, if made so in their respective allotted/occupied houses, otherwise a stern action would be taken against the erring official.
